Angus VFD Report

Kim Newsom reported truck 3251 was just sold at auction on GovDeals for $17,500. The purchaser is coming tomorrow to pick up the truck. We have cancelled the insurance on it, and we are reducing insurance on the cab over to liability only.

Our PPE grant is now complete and we will be receiving our reimbursement check for $25K.

Our new fire station is now complete. We are having issues with the gravel sinking, so they are supposed to come back this week to fix the issue. Mark is almost finished with the bathrooms, and will be texting and painting this week.

We will be having an open house on November 7th from 12-2pm for the new station dedication. We would like for Angus residents to stop by and see the new station and our equipment. We will have a kids fire safety set up as well.

We have added a new volunteer fire fighter to our department thanks to the recruitment grant we received. We are hoping to get more volunteers.

We will be passing out candy at the trunk or treat at Angus Baptist Church on Friday October 30th.

Our contract with the county is being signed tonight, and they are giving us an increase of $50 per truck per month, bringing our monthly total to $1750.

We will be hosting UTV training at the new station on Saturday from 8-5, with ½ day classroom learning and ½ day field training on the UTV. We will have Freestone and Limestone counties in attendance.

We have received 253 service calls so far this year.

Sewer Report

Kacy Perry reported all is good. We had a return valve replaced in the plant recently.

Police Report

Council reviewed the report.
